Waterproofing Compounds	021-029	Remove Gun Filter
Elastomeric Coatings	021-029	Remove Gun Filter
Block Fillers	023-031	Remove Gun Filter

NOTE: Orifice size is given as a guide only.

Fan selection will be dependent upon the size of the job being coated.

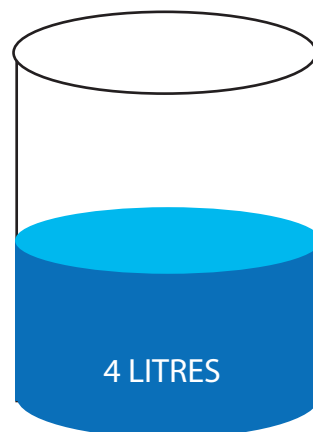

APPROXIMATE FAN WIDTH: (At 300mm distance)

Example: 517

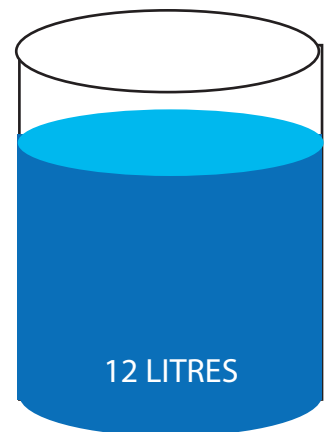

First digit is fan width @ 300mm distance e.g. 5 x 2 = 10inch (250mm approx.)

Next two digits = orifice size in thousandth of inch e.g. 0.017

Are you getting the most out of your tip?

Paint usage with a new tip

Paint usage with old/worn tip

 RED - 200 MESH	 YELLOW - 100 MESH
 BLUE - 150 MESH	 GREEN - 30 MESH
 WHITE - 50 MESH
